Did you grow or make your items by hand?

**Submit 3 or more photos of your products (unless you are selling fresh produce.)**

If you plan to sell food other than farm fresh produce, you may need to submit a Health Department Certificate or Cottage Food License.

Please understand submitting an application does not guarantee you a spot at the Moultrie Homegrown Handmade Market. We will email you back to confirm if you are selected. The goal is for everyone to make money and if too many people are selling similar items, that dilutes your profits.
